

OPERATION MERRIMACK

20 SEPTEMBER 1967

FLASH REPORT

meeting held at Lincoln Temple, 11th & R, Washington, D.C. evening of 19 September 1967

Subject of meeting was 21 October 1967 demonstration.

It was reported that on 20 September 1967 three unidentified persons were going to the Pentagon with cameras and drawing materials to take pictures of the entrances and exits. These pictures and drawings will be used to draw up the operational plans for the 21 October demonstration. Key offices and entrances to these offices and classified areas will be the targets. It was reported that if these three persons are stopped they would use every devious means available to accomplish their purpose. It was also reported that if these persons were stopped that as many demonstrators as possible would be contacted and asked to block the various exits from the Pentagon using any means available, such as sitdowns, laydowns, etc., at 1600 hours today.
